6. **Delegations:**

- 9:15 a.m. Sid Lewis – Weed District

Sid appeared before Council to discuss his progress this year. So far things are going well. There is one violation he is pursuing and will have to take action soon. It was agreed by all that if he acted on Monday that would be soon enough. It takes approximately 2 days to get authority from the Minister's office to act on a field that does not comply. Council thanked Sid for his presentation.

- 9:30 a.m. Bonnie Michaudville – Midwest Recreation District

Bonnie has been visiting council's that belong to the Midwest Recreation District as part of her new role as Recreation Director. All of the Councils have received her well and there are currently not a lot of issues she has had to deal with. The work is enjoyable and people good to deal with.

Council welcomed Bonnie to the position and thanked her for taking the time to come out and meet with them.
