

8. CAO Reports:

#4 Lawn – Madsen

**RESOLVED THAT Council authorize payment of installation for shelterbelt trees under the Upper Assiniboine River Conservation District Program for 2013.**

**For: 7**

**Against: 0**

**CARRIED.**

- Council was provided a report on the tire shred road that outlines quantities and costs. Currently the project is completed but we will look at other funding opportunities that are out there.
- The regular gravelling contract has been completed for 2013 and Council will address some minor maintenance to conclude the construction year
- Signage has been ordered for road intersections and Public Works is installing some of the miscellaneous signage
- Council did discuss the road maintenance program and some of the things they would like to see happen before winter. The Public Works committee will meet on Monday and work on a plan to achieve this.
- Council did receive a final draft of the gravel that was spread in 2013 as well as quantities and costs.
