

8. CAO Reports:

- All drainage licences requested have been submitted to Manitoba Water Stewardship for consideration. There are a couple of files that require consultations with landowners and will not proceed until that has happened.
- The MRIF project was almost completed on Rd 80N there will have to be some work done in the spring to complete it.
- Council discussed a request for Ducks Unlimited to purchase SE 14-15-23 WPM. It was felt that Duck Unlimited has not managed its offer holders well and therefore the CAO was directed to notify them that the municipality would not be supporting the application.
- Council agreed to support an application to Home Town Manitoba by the Hamiota Centennial Library.
