

5. Delegations: 7:00 pm - 2007 Board of Revision

7:28 pm - Ken & Vicki Smith Co-Chairs Hamiota Centennial Committee

Ken and Vicki started out by thanking Council for their support and participating in the Centennial. The freedom that Council afforded the Committee to undertake the Celebration combined with the financial support made their job so much easier.

They also commended the Committee Members they were able to work with on the project. Upon completion the Committee will have met 26 times plus numerous sub-committee meetings.

Their main purpose for attending the meeting was to discuss the dispersal of the surplus funds. For some time now the Committee has discussed projects that could be done by the Centennial funds. At their last meeting the Committee passed a Resolution recommending where the surplus funds could be spent. They were as follows:

Hamiota Pioneer Museum	\$ 2,000.00
Hamiota & District Archives	\$ 1,750.00
Framing the 1907 Charter	\$ 400.00
Hamiota Community Foundation	\$ 4,000.00
Lighting at Millennium Park	\$ 6,000.00

Council discussed the recommendations with Ken & Vicki and closed by thanking them for their time and efforts towards a very successful Centennial Celebration.

8:00 pm - Tim Weber, President Hamiota Golf Club

Tim was before the Council to discuss the rental of the Town owned lands immediately south of the existing Golf Course. The land has been rented from the Town for the past 3 years under a previous agreement. The Course now has to look at expansion and improvements to make the Course viable. In order to do this the Golf Course is requesting the Town allow the Golf Course the same access to the south lands as they currently have for the existing one. This would allow some preliminary development of fairways and the remaining lands could be cropped as a fund raiser. The golf course would also like permission from the Town to remove the fence along the west side of #6 fairway by the lagoon so they could better maintain it.

Council thanked Tim for his presentation and indicated that they would get back to him on his requests.
