

5. Delegations: 10:30 am Joan Kirk, Helen Sheridan, Fiona Hunkin, Al Peterniak
re: Neighborhood Issues

The Delegation appeared before Council to discuss neighbourhood issues.

The Group asked Council about existing noise by-laws and expressed concern that Hamiota does not, at present, have a burning by-law. Constable Joel Germain made comments to group concerns.

Council thanked the delegation for bringing concerns forward.

The Council will look at existing burning by-laws from other municipalities and discuss at next council meeting.

#5 Rohtnie – Mathison

BE IT RESOLVED THAT Council of the Town of Hamiota support the Muscular Dystrophy Awareness month of September.

For: 3

Against: 0

CARRIED

6. By-laws:

7. CAO's Report:

Water Treatment Plant Backup System

- We received a quote from Murray Fortune to put an automatic start on the back up water pump. It will cost \$2,200.00 plus install. Currently we lose pressure and an alarm goes off. Staff is called and they go down and manually turn on the pump. There is a significant amount of time that lapses and it does affect places like the Health Centre. We will still have an alarm called out to make sure everything is running and we will stay until the power comes on.

Muscular Dystrophy Awareness

- We have been approached to consider a resolution of support

Legion Park Improvement

- Some of the walkways at the Legion Park. Ross Mathison is doing it and donating his time.

Wheel Loader

- Is being used by staff and a number of volunteers at the playground and park as well as the RM staff. Feedback has been positive.

Audio Video For Council Chambers

- All required equipment has been purchased and just has to be installed.

8. Notes and Comments:

- Constable Joel Germain attended Council meeting to communicate the four major objectives of the RCMP at present:
 - Crime Reduction Strategy
 - Bullying and cyber bullying
 - Safer Roads
 - Respectful work place
- Occurrence Stats for Hamiota where presented to Council
