

Kids enjoy the various activities at their disposal to the T.D. Summer Reading Program

Hamiota Centennial Library

Secretary/Treasurer

The Hamiota Centennial Library has been a busy place this summer. On Tuesday mornings, Nicole Therrien and Librarian Gwen Argue have been running the T.D. Summer Reading Program. An enthusiastic group of children have been enjoying stories, games, and crafts. You may have noticed the artwork on the sidewalks! This program is open to all ages and runs from 9:30 to 11:30 a.m. There is no cost for this program and it will run for three more Tuesdays – August 12, 19, and 26. This is a great way to introduce children to the library and all that it has to offer.

Good news for the local historians and for those just looking to solve a family argument. The library has a new selection

of local history books! In addition to Hamiota's Grains of the Century Volumes I and II, we have recently received Ripples on the Lake Volumes I & II (Shoal Lake), Cradle to Combine Volume III (Kenton), History of Blanshard Volume IV (Oak River), and Bridging the Years Volumes I, II, & III (Miniota).

In addition to a large selection of fiction, non fiction, children's books, and DVDs, the library has a photocopier, and two computers with printing capacity. There is no cost to use the computers for checking emails or searching for information, but there is a small charge for printing and copying.

The library is open Tuesday, Friday, and Saturday. Come in and talk to Gwen about becoming a member.
