Ken & Vicki Smith, Co-Chairpersons
Hamiota Centennial Committee
Box 100
Hamiota Manitoba R0M 0T0

Dear Ken & Vicki;

On behalf the Council and the community of Hamiota I would like to commend you and your committee of dedicated volunteers for the fabulous Centennial Homecoming event that was organized and hosted by you last month. There are few opportunities like a Centennial event to showcase a community and instill pride but in the weeks leading up to and the actual weekend you brought the very best out of everyone. We were all very proud to be a part of it.

The commitment it takes to develop and carry out a weekend of activities such as you have done is phenomenal and was appreciated by those that came from far and wide to relive the past and share memories with others. There was not a hint of disappointment from anyone. On the contrary it was an exceptional weekend of activity that met, and in most cases, exceeded people's expectations.

Please pass these comments on to your committee. Their efforts and positive attitudes throughout this journey were not overlooked. You knew you were in good hands when you worked with any of the people in the red shirts throughout the weekend. They made a perfect weekend even better.

Congratulations and thank you for a century of memories.

Sincerely

Larry Oakden
Mayor

Cc: Council
